

## Better soils workshop

**This free workshop is for all farmers that want to better understand their soil**

### When

9.30am – 1.30 pm, Thursday 25 February 2010

### Where

Landsborough Hall, 4 Old Landsborough Rd

### Presenters

Zane Nicholls, Sustainable Agriculture Advisor, DEEDI.  
Adam Logan, FarmFLOW Extension Officer, DEEDI

- Learn about the physical characteristics of soil.
- Assess your soils physical constraints to plant growth
- Explore practices to improve your soil's structure
- Observe soil pits on local farms

### Bring a soil sample

**Bring an intact soil sample - a block 25cm X 25cm.  
25cm = standard shovel width.**

## Morning tea and lunch provided
