

YOU'RE INVITED TO THE

Annual

Macadamia Harvest Lunch

For centuries, agricultural communities around the world have marked the beginning of the harvest season with a communal gathering or festival, a celebration and token of thanks.

Following on from the success of the inaugural harvest lunch in the Northern Rivers in 2011, we would like to start this tradition in our own community of macadamia growers in the Bundaberg and surrounding regions.

The Annual Harvest Lunch is a chance for our industry to come together to celebrate the start of the season.

All you need is an appetite and a desire to enjoy!

We would love to see you there.
